WHEN: Wednesday March 25th @10:30

Where: Adaptive PE Room

Having difficulty hearing on the telephone?

We will be discussing how you can get your NO COST caption phone, captioning service and mobile app if you have hearing loss. We will also talk about its positive impact on the cognitive ability of the brain and how it can help the individuals with hearing loss to stay independent and connected to their loved ones.

- **Built-in 50 decibel SPEAKER PHONE & ANSWERING MACHINE!**
- **Captions are provided free-of charge to the user via ClearCaptions (FCC Certified). Free Installation, Training and Customer Support.**
- **Come get your free caption phone today! Elli Tehrani, Territory Manager of Bay Area will be on hand to explain this FEDERALLY funded program that provides captioned telephone service to those that are hard of hearing. Elli can also be reached at 408-510-1941.**
- **A LANDLINE TELEPHONE & INTERNET ACCESS ARE REQUIRED/No income or insurance qualifications.**
- **Be sure to stop by for more information & demo.**
